A NEW DESTINATION ...

MODERN LIVING FOR AN  
URBAN LIFESTYLE

WELCOME TO THE  
SMART VILLAS,  
AN AVANT-GARDE PROJECT OF  
CAPITAL SMART CITY  
THAT'S JUST A FEW MINUTES  
DRIVE FROM THE  
NEW ISLAMABAD  
INTERNATIONAL AIRPORT

# WELCOME TO ISLAMABAD, THE BEAUTIFUL!

Islamabad is one of the most beautiful cities in the world. It symbolizes progress, innovation, architectural superiority as well as natural beauty.

From the spectacular greenery to the breathtaking views of the Margalla Hills the city is naturally blessed. On top of this, Islamabad also dominates the urban and architectural development within the region of South Asia. Which is why it is the perfect abode for Capital Smart City.

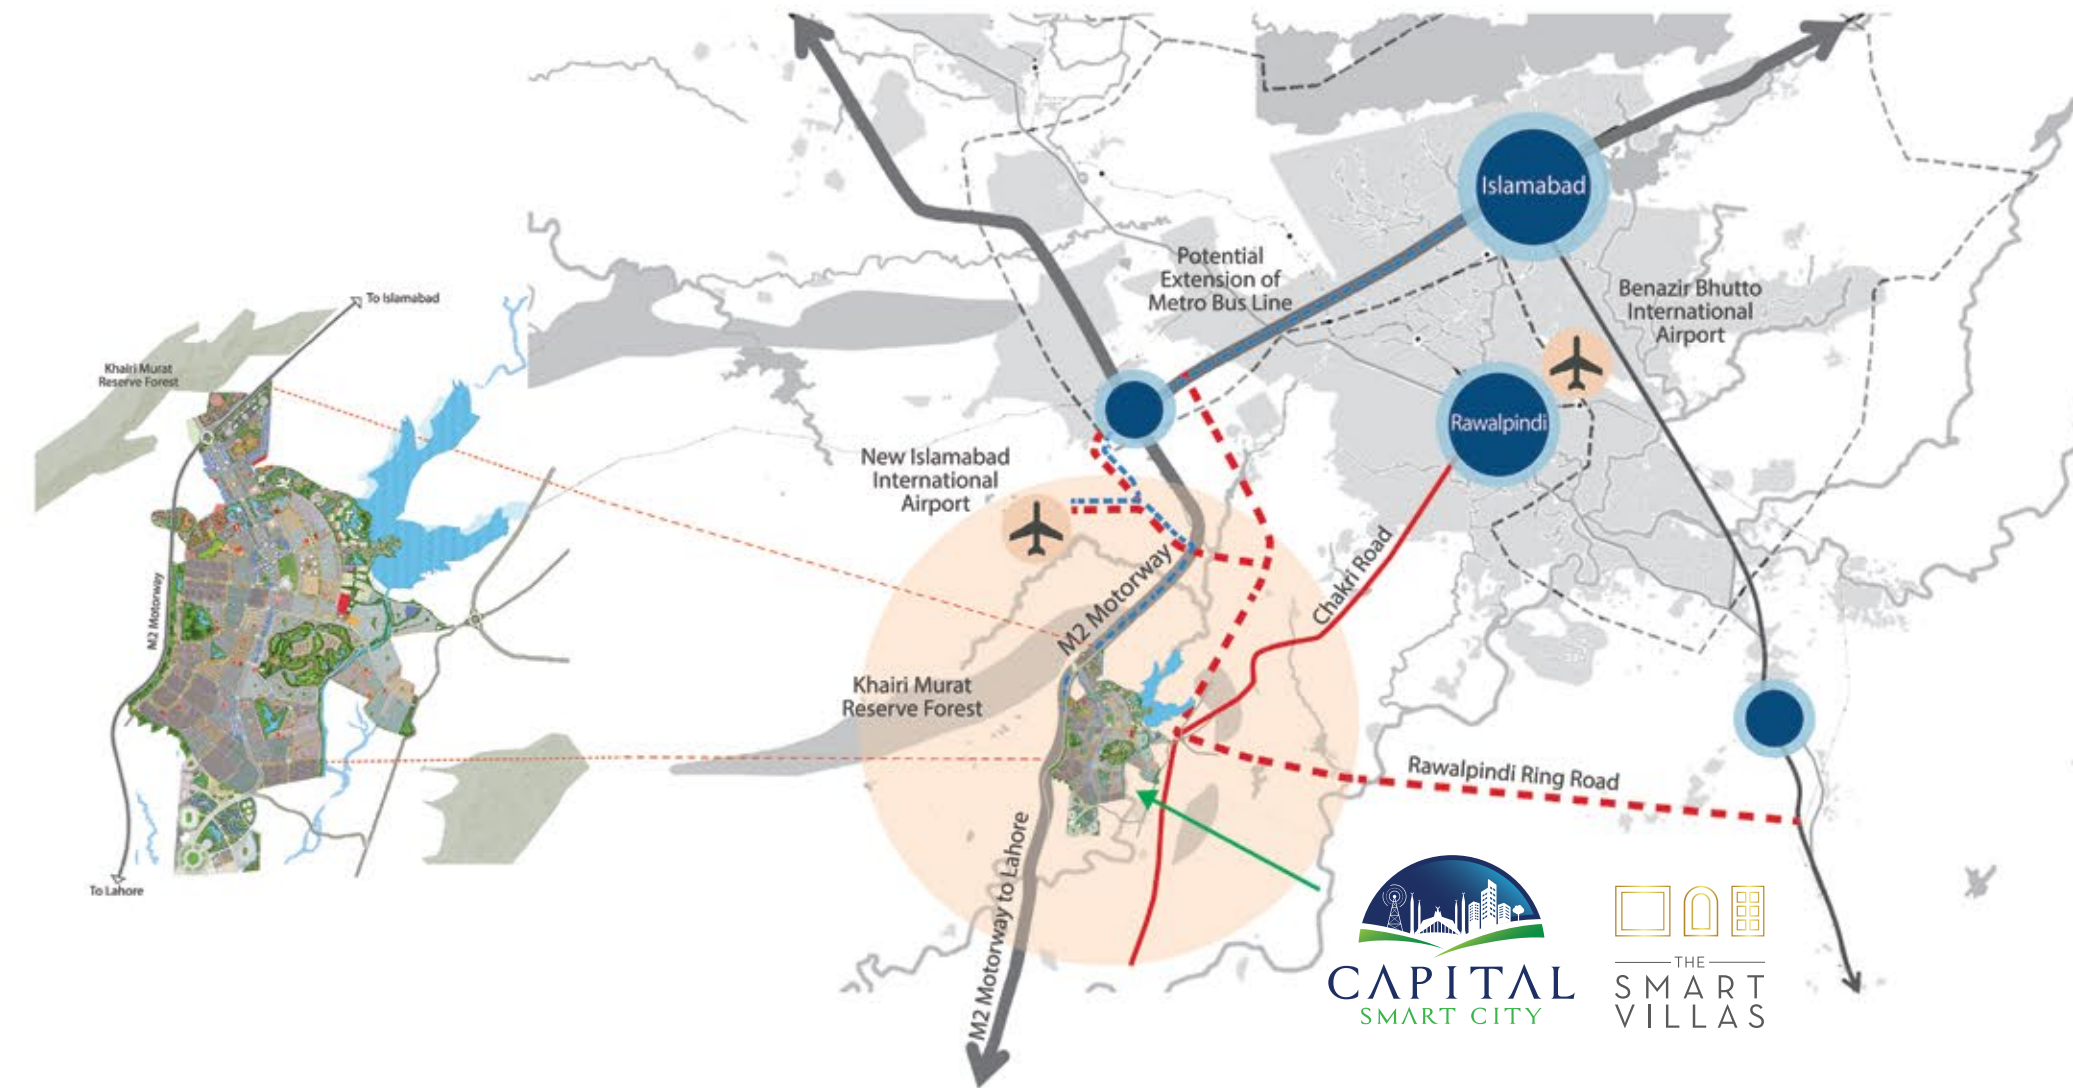

# CAPITAL SMART CITY PIONEERING THE SUSTAINABLE FUTURE OF PAKISTAN

The first ever smart city of Pakistan located in the heart of its capital, Islamabad. A quality housing project of Future Developments Holdings (Pvt.) Ltd. (FDHL), the leading real estate developers and asset management company operating in Pakistan. Situated on the M2 Motorway near the New Islamabad International Airport and the eastern route of CPEC. A model for environmentally stable development, pioneering an advanced and sustainable future in the region.

A BLINK AWAY  
FROM THE  
AIRPORT, YOUR  
SMART LIFESTYLE  
AWAITS YOU

**Excellent Location**  
Along M2 Motorway with  
High Value Development  
Potential

MASTER PLAN  
CAPITAL SMART CITY

# THE SMART VILLAS AN INCOMPARABLE LIFE OF PLEASURE

The Smart Villas are an advanced, integrated and state-of-the-art living solution. An innovative, fully-functional and futuristic abode for your luxurious lifestyle. Created in three uniquely different architectural styles ranging from Contemporary to Mediterranean and Georgian variations, now you have the option to pick and choose the lifestyle your heart always desired.

# RESOURCEFULLY DEVISED SMART FEATURES

Get all the advanced features of smart living within the comfort of your own home. An experience like never before, with 24/7 connectivity and security to servant portal, citizen interaction App, intelligent buildings and smart city wallets with an online market place. These villas are fully equipped with features you will ever need.

## FTTH GPON Network

Fiber cable connectivity to every house, office and building. This integrated network will provide Internet, Telephone and TV.

## Wi-Fi Network

Wi-Fi Coverage with 24/7 internet connectivity.

## IP Surveillance

24/7 Blanket Surveillance System through ANPR and alerts generation to ensure security.

## Smart Street Lights

Next Generation Street lights with Vehicle detection and LED dimming control.

## Smart Access Control

Intelligent and efficient traffic control and automated entry for residents and visitors.

## Wireless PA System

Wireless Public Announcement System through Wi-Fi enabled speakers.

## Water Management

Water usage, water PH and water purity sensors will be installed to monitor the quality of water

## Energy Management

Energy analytic to predict electricity bill and to save electricity with the help of machine learning & Artificial Intelligence. Save upto 30% of electricity bill.

## Smart Homes

A Home equipped with smart gadgets & sensors; tied together in one App to reduce the energy bill through machine learning and artificial intelligence.

## Weather Stations

Equipped with temperature, humidity, atmospheric pressure, air quality and ultraviolet radiation sensors to monitor weather conditions.

## Fleet Management

Tracking of CSC internal operational services for transport like BRT system and providing real time location to the residents.

## Smart City Wallet

A Virtual wallet which will be connected to all payment gateways so that residents don't have to carry cash within the city.

## Intelligent Buildings

State-of-the-art buildings equipped with the real time monitoring of utilities like electricity, water and natural gas. Wireless climate control and access control from command center is the main feature.

## Online Market Place

Society's residents can order goods and food by using their Smart City Wallet.

## Citizen Interaction App

Citizen interaction CRM App where residents can raise complaints and incident reporting.

## Servants Portal

An e-portal where servants and maids will be registered who will work within the society.

## Emergency Services

SOS App for residents to call paramedics and law enforcement agencies on a single tap.

THE EXCEPTIONAL  
SMART LIVING

CONTEMPORARY  
VILLAS

MEDITERRANEAN  
VILLAS

GEORGIAN  
VILLAS

ENJOY THE LUXURIOUS STYLE,  
CREATIVITY AND  
EXCELLENCE OF MODERN DESIGN

CONTEMPORARY  
VILLAS

A highly creative design with minimalist architectural features and clean, understated lines. An epitome of contemporary architecture with cutting-edge home, ideal for an open plan with seamless interiors. These villas are built to the smartest specifications. A light ambiance, surrounded by glass doors and windows that allow the exterior to enter the interior. It's the perfect blend of the modern and fashionable.

EXPERIENCE THE FREEDOM,  
PASTEL COLORS AND OPEN SPACES!

MEDITERRANEAN  
VILLAS

A tasteful blend of Spanish and Italian architecture, these villas merge classic design and cutting-edge technology. Inspired by urban living, these homes are smoothly integrated to accommodate the modern family. Enter into the warmth of the Mediterranean with arched openings, terracotta roofs and wooden pergolas. An amazing harmony of the chic and the elegant.

EMBELLISHED WITH SYMMETRY,  
PROPORTION AND CLASS.

GEORGIAN  
VILLAS

With clean, understated lines, these villas are the ultimate expression of symmetrical architecture. A true reflection of classical style, these cutting-edge homes are ideal for open plan living with elegant interiors and seamlessly simple connections. These beautifully designed villas being built to the highest specifications. Creating an incredibly light ambiance, an array of sliding glass doors and windows break down the barriers between the interior and exterior, bringing the outside in.

# FASCINATING NEIGHBORHOODS THAT MAKES YOU MARVEL

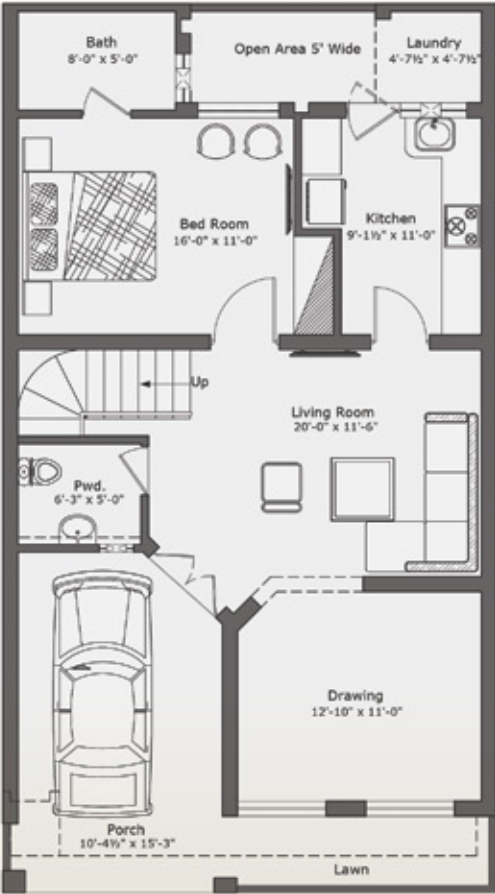

The Smart Villas have the most secure & serene neighborhoods, as they are located in the heart of Capital Smart City. A place full of greenery, comfort and exquisite landmarks – a safe heaven you have always desired for you and your family!

# INDULGE IN SPECTACULAR VIEWS

An aerial rendering of a large-scale urban development. The central focus is a mosque with a large green dome and minarets, surrounded by a patterned courtyard. To the left, a tall, modern skyscraper with a golden facade stands out among other high-rise buildings. The surrounding area is filled with dense residential housing, including rows of villas and apartment blocks, all interspersed with lush green trees and landscaped parks. The overall scene depicts a vibrant, modern community with a mix of architectural styles and green spaces.

# THE PLACEMAKERS

**JAHANZAIB ZAHID** | DIRECTOR FDHL

We have entered the most exciting phase in the history of housing sectors in Pakistan. Thanks to our exceptionally hardworking and competent team. The resounding vote of confidence from our clients has motivated us to deliver top quality products such as The Smart Villas with in the Capital Smart City. Our company has redefined the dynamics of property developments which now serves as a template for others across the country. Our clients' support and trust is the driving force through which we were motivated to create a world class living experience for the future residents of these villas.

Business development models are being reshaped across the world, companies that do not respond to these changes, risk being exposed to irrevocable remedy that affects

their long term prospects. Our strategies are sharpened and renewed with the most innovative and revered companies. Our goal is to become a company that creates great value for our stakeholders and our economy. We allocate significant human and financial resources to propel the housing sector in the local, regional and international market. Our vision is clear and our objective is to meet our clients' needs. Our internal and external relationships are effective and we plan on achieving quick gains to reach our strategic deadlines. All this will benefit Pakistan immensely as a better living standard will be set in the country, enhancing and improving our national as well as international footing in the market, which is our ultimate mission.

**MUHAMMAD ASLAM MALIK** | GROUP COO

My warmest regards and greetings to everyone involved in The Smart Villas project within the Capital Smart City. The beginning of this project marks an era of sustainable progress and success in achieving our desired outcomes.

This brochure serves as a window into the plan we have made for a smart and luxurious lifestyle which will be the benchmark of the living standard within the Capital Smart City. We have tried to deliver our best in all the spheres of modern housing, infrastructure, amenities and construction. We stand tall in bringing innovative ideas and their physical execution at its optimum level.

Smart Villas have been designed to supplement the growing housing needs . Our

Villa designs are exceptional and will provide an exquisite living experience to our customers.

Royal Orchard Multan, Royal Orchard Sahiwal and Royal Orchard Sargodha are real examples of state-of-the-art housing projects and the trust reposed by our worthy clients. I am highly indebted to the dedicated team of professionals for their resounding support at all levels. We promise to deliver the value in this project that we owe to each one of you and this company.

May Almighty Allah guide us to fulfill this dream!  
Ameen.
